Subject: NC Facility: Contract ELP-100815-01 Valtek Shearstream Segmented Ball Valves (SB 2 Way On/Off Valves)

Reference (a) BAE-18-FGF-0920-NC-10, dated September 25, 2018  
(b) Fluor RFI Submission: D-RFI-FL-BS-0167, dated August 29, 2016  
(c) Fluor Letter: 18-BDH-NC-0070, dated October 15, 2018  
(d) ELP-100815-01 – NC Facility Contract

Dear Mr. Hensel,

BAE Systems has received (c) Fluor's letter dated October 15, 2018 and rejects the assertions therein. BAE Systems has consistently specified Valtek Shearstream Segmented Ball Valves (SB 2 Way On/Off Valves) in all documentation provided to Fluor under reference (d) ELP-100815-01

No deviation waiver for Valtek Shearstream Segmented Ball Valves has been granted by BAE Systems.

Please provide the date of delivery for the Valtek valves and ensure the lead time does not interfere with the current schedule.

If you have any further questions or comments, please contact me at 540.639.7189 or by e-mail at [felicia.farr@baesystems.com](mailto:felicia.farr@baesystems.com).

Please confirm receipt of this correspondence via return email.

Sincerely,

Users,
